COLONIAL BALUSTER  
2" x 2" x 3' (22CCOL) ..... **\$7<sup>00</sup>** Ea.

## Port Orford WHITE CEDAR DECKING

Port Orford Cedar is indigenous to a small area of southern Oregon and northern California. Characterized by its straight, even grain, this cedar remains in place after seasoning and working, and it shows virtually no tendency to warp. It wears evenly and weathers to a beautiful light gray without splintering. We recommend that you coat your Port Orford deck with Penofin Oil Finish available in our Paint Center.

2" x 4" 8', 10', 12' ..... **\$1<sup>65</sup>** Ft.    2" x 6" 8', 10', 12' ..... **\$2<sup>70</sup>** Ft.
