

Marathon™ Plus AR

Color Featured: Driftwood

5-5/8"
EXPOSURE

Take that New Roof Back to Beautiful Basics.

IKO Marathon Plus AR traditional shingles are of solid construction and a 3-tab design that has always been popular with homeowners.

Their large metric size means these shingles go down fast and easy, to save you time and labor. And IKO's FastLock® modified bitumen sealant is thick and aggressive to promote a strong bond.

IKO's advanced color blending technology produces a popular array of consistent, yet exciting color blends for any style of home.

FASTLOCK®
SEALANT

Marathon™ Plus AR

IMPORTANT! To ensure complete satisfaction, please view several full-size shingles and an actual roof installation prior to final color selection as the shingle swatches and photography shown online and in our brochures may not accurately reflect shingle color and do not fully represent the entire color blend range nor the impact of sunlight.

Note: Product and color availability may vary by region. ¹See Limited Warranty at IKO.com for complete terms, conditions, restrictions, and application requirements. Shingles must be applied in accordance with application instructions and local building code requirements. ²All values shown are approximate. ³Products developed with reference to these Standards. ⁴Marathon Plus AR features an algae-resistant granule that helps inhibit discoloration caused by blue-green algae.
