

Premium Quality Products & Superior Service Since 1902

RingsEnd.com · 800 390 1000

To Our Valued Customers,

Ring's End has been deemed by the states of Connecticut and New York to be an essential business. Our stores will remain open providing curbside or delivery service.* These changes to how we are servicing you are meant to protect both our employees and you, our customers.

- At all of our locations, we will now be servicing customers through **curbside service or delivery only**. Orders may be placed online, over the phone, or at the door to the facility. Customers will not be allowed in the stores for the foreseeable future. For the quickest shopping experience, we encourage you to call ahead or order online at RingsEnd.com before arriving at the store. We are happy to pull together your orders before you arrive.**
- For a full list of our locations and phone numbers visit RingsEnd.com/locations.
- Customers are permitted in the yards when orders are being pulled or they may pick their own yard materials along with a yard associate, maintaining the recommended 6 foot social distance. Only stores and showrooms are closed to the public.
- Utilize delivery service. We want to make your shopping experience as convenient as possible during this difficult time.
- As a reminder, customers may schedule Virtual Color Consultations by emailing dariendesign@ringsend.com.
- Our outside salespeople and architectural representatives are still available for consultation. If you need to review plans or work on a specification, do not hesitate to reach out to your representative.

*Note: At this time, our Wilton location is temporarily closed and will reopen April 7.

**Please call ahead to check the status of your order, or call from the parking lot to have your order brought out to you.

Our staff is dedicated to assisting you in the safest way possible and we are confident that these additional precautions will best serve our communities. Thank you for your cooperation as we try to do our part in stopping the spread of COVID-19. If you have any further questions or concerns, please reach out to any of our locations and a manager will be happy to assist you.

Sincerely,

Mike Burkhart
Vice President / COO
